

The 45th Naito Conference on “Immunological and Molecular Bases for Cancer Immunotherapy” Call for Posters

To participate, presentation of poster relevant to the theme for the conference is mandatory.

The organizing committee will review and select 60 scientists as the poster presenters. Excellent poster presenters out of 60 will be awarded at the conference.

Conference Date: June 26 (Tue.) - 29 (Fri.), 2018

Venue: CHÂTERAISÉ Gateaux Kingdom SAPPORO, Hokkaido, Japan

<http://www.gateauxkingdom.com/en/>

Organizing Committee:

Kouji MATSUSHIMA (Chair)

School of Medicine, The University of Tokyo, Japan

Kazuhiro KAKIMI

Department of Immunotherapeutics, The University of Tokyo Hospital, Japan

Yutaka KAWAKAMI

Keio University School of Medicine, Japan

Hiroyoshi NISHIKAWA

National Cancer Center Research Institute, Japan

Heiichiro UDONO

Graduate School of Medicine, Okayama University, Japan

Plenary Lecturer:

Rafi AHMED

Emory Vaccine Center, Emory University, USA

Jedd D. WOLCHOK

Memorial Sloan Kettering Cancer Center, USA

Invited Lecturers:

Kenji CHAMOTO

Kyoto University Graduate School of Medicine, Japan

Greg M. DELGOFFE

University of Pittsburgh Cancer Institute Hillman Cancer Center, USA

Lawrence H. FONG

Helen Diller Family Comprehensive Cancer Center / University of California, San Francisco, USA

Shinichi HASHIMOTO

Graduate School of Medical Sciences, Kanazawa University, Japan

Naoki HOSEN

Graduate School of Medicine, Osaka University, Japan

Ira MELLMAN

Vice President, Genentech, Inc. USA

Hozumi MOTOHASHI

Institute of Development, Aging and Cancer, Tohoku University, Japan

Naoko OHTANI

Osaka City University Graduate School of Medicine, Japan

Shashank J. PATEL

National Cancer Institute, National Institutes of Health, NIH, USA

Antoni RIBAS

Department of Medicine, University of California Los Angeles, UCLA, USA

Ken-ichiro SEINO

Institute for Genetic Medicine, Hokkaido University, Japan

Tsukasa SEYA

Department of Microbiology and Immunology, Hokkaido University, Japan

Hiroshi SHIKU

Mie University Graduate School of Medicine / Center for Comprehensive Cancer Immunotherapy, Mie University, Japan

Stefani SPRANGER

David H. Koch Institute for Integrative Cancer Research at Massachusetts Institute of Technology, MIT, USA

Koji TAMADA

Yamaguchi University Graduate School of Medicine

Masaki TERABE

Center for Cancer Research, National Cancer Institute, NIH, USA

Toshihiko TORIGOE

Sapporo Medical University School of Medicine, Japan

Zlatko TRAJANOSKI

Division of Bioinformatics, Medical University of Innsbruck, Austria

John WHERRY

Department of Microbiology, University of Pennsylvania, USA

Chenqi XU

Shanghai Institute of Biochemistry and Cell Biology, Chinese Academy of Sciences, China

Sessions:

A : Immunological Basis (1)

B : Immunological Basis (2)

C : Immune and Cancer Metabolism

D : New Technologies in Cancer Research

E : Clinical Development of Cancer Immunotherapy

Apply | The 45th Naito Conference

The Naito Conference:

The Naito Conference aims at providing an opportunity for the information exchange and intensive discussion on the update research results in the specific field establishing network among renowned scientists and ambitious generations under the atmosphere of retreat environment. The conference consists of both oral presentations by invited lecturers and poster presenters, and approximately 60 poster presenters will be selected by the organizing committee. The presenters will be invited to the conference and provided an opportunity for in-depth discussion and networking among participants.

Application to Attend the Conference:

To participate in the conference, presentation of your poster at the conference is mandatory. Please complete an online application in the linked website <http://naito.umin.jp/> (click "abstract submission" button) during the application period. The organizing committee will review and select 60 scientists as the poster presenters. Please be reminded that participation without presents is not allowed.

Poster Application Period:

December 5, 2017 - January 24, 2018/NLT NOON JST

Qualifications:

- A good command of English for scientific discussion is required.
- Participation for full four days is a prerequisite.

Participation Fee:

No registration fee is required. The accommodations (a twin room with two people sharing) and meals will be provided by The Naito Foundation, however, attendees will be responsible for transportation expenses to the conference site. Please be reminded that all attendees are required to participate in the entire conference.

Found Research Award (The Naito Foundation Poster Award):

Excellent poster presenters will be awarded. Number of winner is TBD.

Results of the Selection:

The results will be informed by email around April 2018.

If you have any questions or need assistance, please contact:

Ms. Tomoe Sato

The Naito Foundation/The Naito Conference Secretariat
