

The 46th Naito Conference on “Mechanisms of Evolution and Biodiversity” Call for Posters

To participate, presentation of poster relevant to the theme for the conference is mandatory.

The organizing committee will review and select 60 scientists as the poster presenters. Excellent poster presenters out of 60 will be awarded at the conference.

Conference Date: Oct 2 (Tue.) - 5 (Fri.), 2018

Venue: CHÂTERAISÉ Gateaux Kingdom SAPPORO, Hokkaido, Japan <http://www.gateauxkingdom.com/en/>

Organizing Committee:

Mariko HASEGAWA (Chair)

SOKENDAI, The Graduate University for Advanced Studies, Japan

Takema FUKATSU

National Institute of Advanced Industrial Science and Technology (AIST), Japan

Mitsuyasu HASEBE

National Institute for Basic Biology, Japan

Yoh IWASA

Faculty of Science, Kyushu University, Japan

Shigeru KURATANI

Evolutionary Morphology Laboratory, RIKEN, Japan

Gen SUWA

The University Museum, The University of Tokyo, Japan

Plenary Lecturers:

Sean B. CARROLL

University of Wisconsin, USA

Peter R. GRANT

Princeton University, USA

B. Rosemary GRANT

Princeton University, USA

Invited Lecturers:

Detlev ARENDT

EMBL (European Molecular Biology Laboratory), Germany

Thomas BOSCH

Zoological Institute, Kiel University, Germany

Rebecca CANN

Department of Cell and Molecular Biology, John A. Burns School of Medicine, University of Hawaii at Manoa, USA

Michael DESAI

Departments of Organismic and Evolutionary Biology and of Physics, Harvard University, USA

Chikara FURUSAWA

Quantitative Biology Center, RIKEN, Japan

Yuzuru HAMADA

Primate Research Institute, Kyoto University, Japan

Andreas HEJNOL

Sars International Centre for Marine Molecular Biology, University of Bergen, Norway

Yuichi HONGO

Tokyo Institute of Technology, Japan

Jean-Jacques HUBLIN

Department of Human Evolution, Max Planck Institute for Evolutionary Anthropology, Germany

Norikazu ICHIHASHI

Osaka University, Japan

Martin KALTENPOTH

Institute of Organismic and Molecular Evolution, Johannes Gutenberg University, Germany

Masayoshi KAWAGUCHI

National Institute for Basic Biology, Japan

Jun KITANO

National Institute of Genetics, Japan

Roy KISHONY

Faculty of Biology and computer sciences, Technion- Israel Institute of Technology, Israel

Ryuichi KOGA

National Institute of Advanced Industrial Science and Technology (AIST), Japan

Patrik NOSIL

University of Sheffield, UK

Loren H. RIESEBERG

Department of Botany and Biodiversity Research Centre, University of British Columbia, Canada

Aya TAKAHASHI

Department of Biological Sciences, Tokyo Metropolitan University, Japan

Miltos Tsiantis

Department of Comparative Development and Genetics, Max Planck Institute for Plant Breeding Research, Germany

Dietmar ZINNER

German Primate Center, Leibniz Institute for Primate Research, Germany

Sessions:

A : Speciation and Radiation

B : Evolution of Symbiosis

C : Evolution of Morphology

D : Experimental Approaches to Evolution

E : Species Diversity and Adaptation in Human and Primate Evolution

Apply | The 46th Naito Conference

The Naito Conference:

The Naito Conference aims at providing an opportunity for the information exchange and intensive discussion on the update research results in the specific field establishing network among renowned scientists and ambitious generations under the atmosphere of retreat environment. The conference consists of both oral presentations by invited lecturers and poster presenters, and approximately 60 poster presenters will be selected by the organizing committee. The presenters will be invited to the conference and provided an opportunity for in-depth discussion and networking among participants.

Application to Attend the Conference:

To participate in the conference, presentation of your poster at the conference is mandatory. Please complete an online application in the linked website <http://naito.umin.jp/> (click “abstract submission” button) during the application period. The organizing committee will review and select 60 scientists as the poster presenters. Please be reminded that participation without presents is not allowed.

Poster Application Period:

February 6 - March 7, 2018/NLT NOON JST

Qualifications:

- A good command of English for scientific discussion is required.
- Participation for full four days is a prerequisite.

Participation Fee:

No registration fee is required. The accommodations (a twin room with two people sharing) and meals will be provided by The Naito Foundation, however, attendees will be responsible for transportation expenses to the conference site. Please be reminded that all attendees are required to participate in the entire conference.

Found Research Award (The Naito Foundation Poster Award):

Excellent poster presenters will be awarded. Number of winner is TBD.

Results of the Selection:

The results will be informed by email around June 2018.

If you have any questions or need assistance, please contact:

Ms. Tomoe Sato

The Naito Foundation/The Naito Conference Secretariat
